

Sexual Health and Contraception Clinic (SHACC)

De Montfort Surgery, Saffron Health and Victoria Park Health Centre are now restoring sexual health services for patients registered in Leicester, Leicestershire, and Rutland GP practices. Patients do not need to be registered at any of these practices to get an appointment.

Patients can book an appointment by calling 0333 332 4625. Our telephone lines are open Monday to Friday between 10:00 – 16:00.

As we are three normal GP surgeries, we only provide a limited number of appointments. This means any emergency/urgent appointments are not guaranteed.

We provide the following services (ONLY):

- Coil fitting and replacements
- Implant fitting and removals
- STI Screening

For any other contraceptives, C-cards, gynaecological and pregnancy related queries, please contact your GP surgery. We are not an advice service so please discuss any queries with your own GP surgery first.

Your appointment will be provided within a COVID secure environment this may include an initial telephone/video consultation, followed by a face-to-face appointment
